AECAPELIN account of his relationship with Col. Petro SAMUTIN:

Became acquainted with him @PETROVSKY in 1940 in the Western Ukrain.
In 1940 CAPELIN had been named by Maj. Frans von TARBOK to carry out
counter-intelligence work, that is, to investigate all persons that
crossed to the so-called Government General from the USSR as well as
those that crossed illegally from the Gov't. General to the USSR."

In same report, CAPELIN pictures himself, at that time, as "a young
intelligence operative. . ."
